AMAZING...

IT'S BEEN ALMOST HALF A YEAR SINCE WE GOT MARRIED...

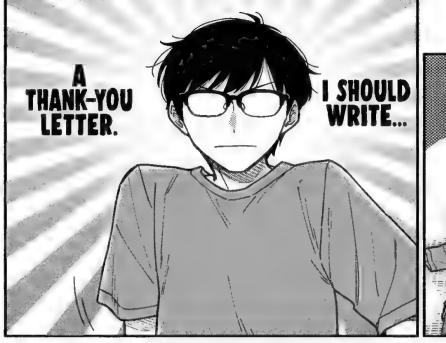

AND CHIHIRO-SAN ALWAYS TELLS ME SHE LOVES MY COOKING...

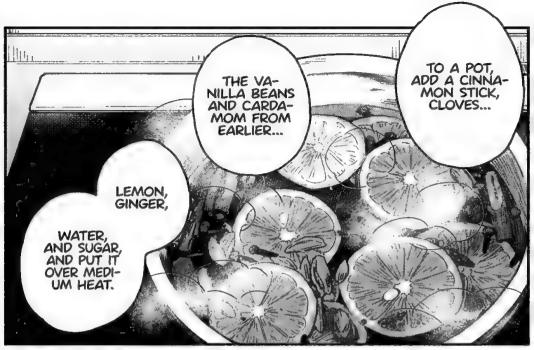

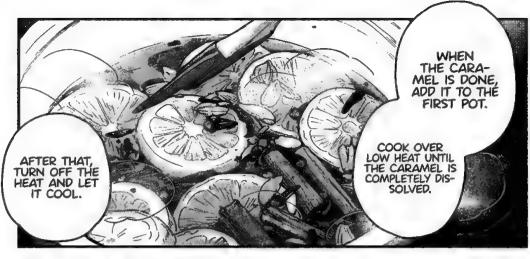

Dear Fukuyama Chihiro-san,

The mornings and evenings are getting colder and colder. I can't believe it's already been half a year since we got married.

we had a few hiccups in our early days as husband and wife, but having someone to come home to, and looking forward to when that someone comes home, has filled me with joy.

I'm so happy that you came to find me that day, Chihiro-san. The mere thought that we could've parted ways like that sends chills down my spine.

I could've told you this face to face, but I wanted to give shape to my feelings for you, so I chose to write you this letter.

Thank you for marrying me. Let's spend the rest of our lives together.

Fukuyama Kenta
